Getting from the Carpark to the Hotel

Due to parking restrictions and limited space in Edinburgh city center, the Carpark is located 0.4Miles away from the hotel – a 10minute walk. - See the map detailing the route to and from the carpark. Hotel Management would recommend dropping large bags off at the hotel before driving the car to the Multistorey car park. You can do this by pulling up outside of the hotel and leaving your baggage temporarily with the concierge team.

*To claim the 20% discount, guests are not to prepay parking. On arrival at the car park, guests are to retain the parking ticket received from the entry barrier. Prior to departing from the carpark, the guest would need to ask the hotel reception team to validate that parking ticket for 20%. Parking is then paid for at the carpark pay kiosk by inserting the parking ticket and then choosing a payment method. Alternatively, guests can also receive the 20% discount in the carpark reception desk - This desk is located next to the entry and exit barriers. Guests will be asked to present proof of staying at the Hilton before the Carpark reception team will validate the parking ticket for 20% off.
